

BIOPAN

Dish and pot cleaner

DESCRIPTION

BIOPAN is a superior quality product designed to effectively remove stubborn dirt from pots and pans. It produces a rich, abundant foam that leaves dishes sparkling clean while remaining gentle on the hands. With its penetrating agents, it easily dissolves stuck or even charred food at the bottom of your pots and pans (12ml of detergent in 5 liters of water will be sufficient for deep cleaning).

AVANTAGES

1. Phosphate free.
2. No added fragrance.
3. No EDTA/NTA.
4. Highly foaming and degreasing.

TECHNICAL DATA

pH (as is)	7.5-8.5
Density	1.02 - 1.03
Color	Red
Odor	Light
Characteristic	Degreaser and extra foaming
Biodegradability	Compleat

INSTRUCTIONS

DO NOT USE IN DISHWASHER

Hand dishwashing:

Soak items for a few minutes, wash and rinse. Change the wash solution when it becomes too dirty.

FOOD ESTABLISHMENTS: Equipment and surfaces that are in direct contact with food should be rinsed with potable water after cleaning with this product. Avoid contamination of food during use. Do not store in food processing or storage areas.
